\*The shipment moves between two ports by a carrier by water. The law requires that the bill of lading shall state whether it is "carriers or shippers weight." Note—where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.

This is to certify that the incovenient materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
