- o Too dirty for proper inspection
- o Too wet for proper inspection
- o Carrier not liable for any damage hidden under tape, plastic, etc.
- o Inspection at night: carrier not liable for any damage

Not visible during a superficial walk around inspection of exterior

This vehicle is received with minor nicks, dents and scratches found on any used vehicle. No inspection as to the roadworthiness of this vehicle (E.G. brakes, alignment, suspension, turning) has been undertaken by the carrier. Carrier is not responsible for mechanical difficulty, normal wear, glass damage, aftermarket accessories or loose parts. The carrier is not responsible for the condition of vehicles interior prior to and after transport.

Shippers and drivers signature above, constitutes they have read and fully understand and agree to all of the terms and conditions on the back of the contract. I understand that shipment is subject to the terms and conditions of the straight bill of lading and carriers shipping order. Shipper understands that vehicle is being transported in an open carrier, and may be subject to road hazards; debris, rock chips, glass breakage etc, which the carrier is not liable for.
