The Minimum Public Liability Insurance Limits provided in Law must be met by every person who purchases a vehicle. If you are unsure whether or not your current insurance policy will cover your newly acquired vehicle in the event of an accident, you should contact your insurance agent.

**WARNING:** Your present policy may not cover collision damage or may not provide for full replacement costs for the vehicle being purchased. If you do not have full coverage, supplemental coverage for collision damage may be available to you through your insurance agent or through the selling dealer. However, unless otherwise specified, the coverage you obtain through the dealer protects only the dealer, usually up to the amount of the unpaid balance remaining after the vehicle has been repossessed and sold.

State Law does not provide for a "cooling off" or cancellation period for this sale.
